Welcome to AYO Chamber Players

Led by some of Australia's best chamber musicians, the AYO Chamber Players program offers intensive training in the technique and musicianship of small ensemble playing. These concerts are a fantastic opportunity to hear the country's best pre-professional musicians interpret pieces for string, wind, brass and piano ensembles.

Credit: Fabrizio Evans

Australian Youth Orchestra acknowledges the Gundungurra and Ngunawal peoples as the Traditional Custodians of the land on which the ensembles have rehearsed and performed during this program. We pay our respects to Elders, past and present, and recognise and respect their enduring connection to land, waters and culture.

Orava Quartet

Ensemble-in-Residence

The Orava Quartet has been hailed by *Limelight* magazine as “the most exciting young quartet on the block” and predicted by *The Australian* to become “one of Australia’s proudest cultural exports.” Earning a reputation for thrilling performances, brothers Daniel and Karol Kowalik (violin and cello), violinist David Dalseno and violist Thomas Chawner together bring their unique sound and breathtaking intensity to the classics and less-known jewels of the string quartet repertoire. Orava Quartet also performs new works by contemporary Australian composers including Elena Kats-Chernin, Paul Dean, Ross Edwards and more.

Orava Quartet has toured to North America, Asia, the UAE and New Zealand, undertaking an early residency with the Takács Quartet in the USA and winning top prizes at the 2013 Asia Pacific Chamber Music Competition. Since returning to Australia, the Oravas continue in their tenth year as Quartet-in-Residence with Camerata – Queensland’s chamber orchestra, and perform at venues and festivals around Australia, with a return tour to Canada in 2023. Following their widely acclaimed debut recording for UMA/Deutsche Grammophon for its first Australian recording in 2018, the Quartet’s second album, *Orava*, is scheduled for August release. Orava Quartet proudly plays on Larsen Strings.
